IN THE INDUSTRIAL TRIBUNAL GOA, DAMAN AND DIU, PANAJI-GOA

(Before Dr. Renato de Noronha, Presiding Officer)

Reference No. IT/36/74

1. Workmen of M/s. Sahyadri Transport Co. Pvt. Ltd, Represented by The Goa General Employees' Union. — Ist Party

V/s.

1. M/s. Sahyadri Transport Company Private Limited. — IInd Party

Adv. A. Viegas for the Union.

Shri D. Pathankar for the employer.

Panaji. Dated: — 9-6-1982.

AWARD

In this reference made by the Government Goa, Daman and Diu, to this Tribunal for adjudication by it's Order No CLE/1/ID/(77)/74/768, dated 8th July, 1974, the schedule annexed to the Order reads as follows:

"Whether the demands of the workmen of M/s. Sahyadri Transport Co. Pvt. Ltd., Sambhaji (Goa), (at Kosti Mines) for revision of pay-scales, dearness allowances, permanency, casual leave, sick leave, are justified?

If so, to what relief the said workmen are entitled and from what date?"

2. In its statement of claim, the Union has submitted that the employer has a Transport Organisation doing the work of mining transport at Kosti Mines. It has a number of trucks and carries out its own repairs in a small work shop at Kosti and its employees numbering about 2 dozen are working as drivers, mechanics fitters, tin smiths, electricians, helpers etc., at the Kosti Mines. The employer does mainly the transportation of Iron Ore from Kosti Mines to various loading points, mainly for M/s. Chowgule and Co. Pvt. Ltd.; the Union, on 11-4-1974, submitted to the employer the 7 point Charter of Demands, as per the annexure to the claim statement; as the company did not respond, the Labour Commissioner was approached, with no result and, finally, the matter was referred to this Tribunal for adjudication. It is submitted that the employer is financially sound to bear the burden of demands made by the Union, as it has earned enough profits for the last 5 and more years. The pay structure including Fixed D.A., V.D.A., will have to be considered in comparison with other organisations in similar industry. Since the employer is engaged in Mining Industry, the wage structure as existing in the Mining Industry will have to be considered. Other similar companies like, M/s. Maina Ore Transport Co. Pvt. Ltd., have already accepted the wage structure of the Mining employees and implemented the recommendations of the Central Wage Board for Iron Ore Mining Industry. It is prayed that the employer be directed to pay the wage structure as is being paid to the Mining employees, with retrospective effect at least from 11-4-1974, when the Charter of Demands was served on the employer.

3. In reply to the statement of claim, the employer, by its letter dated 21-6-1975, has submitted that they have been incurring a loss for the past 4 years and, as on date, the liabilities stand at Rs. 11,069,000/- while the assets of the Company, even if taken at the best market value, come to about Rs. 5,00,000/-. In view of the heavy losses incurred by the Company year after year, it was decided to close down all its operations from 12th July, 1975 and a Notice to this effect had been already issued to all the workers individually. Hence, it is submitted, it is not possible for the Company to consider the Charter of Demands made by the Union. The employer did not submit alongwith its written statements the balance sheets and profit and loss accounts for last 5 years, inspite of the directions given by the Tribunal.

4. In its rejoinder, the Union has submitted that the claim of the Company that it is running into losses is ridiculous. There was a closure notice served by the Company on all its employees at Kosti Mines in June, 1975, and the Company was closed on 11-7-1975. Now, the same Company is being clandestinely operated by the same Management since August, 1975, utilizing the same machines and the same employees, some of them on contract bases. The act of closure was resorted to by the Company only because the workers have formed their Union and filed a Charter of Demands.

5. No issues were framed, as it was felt that they were not necessary (vide Rosnama dated 1-10-1976). After various adjournments, the Union lead its evidence; the employer always remained absent at the time of hearing. Arguments of both the parties representatives were heard and now the matter is before me for Award.

6. In all, 6 workers were examined before the Tribunal by the Union, besides one Shashikant Kakodkar, who was working as Manager in the employer company. The sum and substance of the evidence given by the workers is that their

employment was terminated by the Company on the ground of closure and their dues paid; some time after, some of them were called again for work, but on contract basis and then again their services were terminated; this time the number of trucks was reduced and the diesel and lubricant required by the employer for their trucks was taken from the establishment of Chowgule and Company at Kosti Mines; during night time, the trucks were also kept in the garages of Chowgule at Kosti Mines.

7. Shri Shashikant Kakodkar stated that he worked as Manager for the Company from November, 1970, to January, 1976. The Company has Offices at Vasco and Kosti Mines and the witness was working in both; Kosti Mines belong to Chowgule and Company and the employer company had its garage and office in Chowgule and Co's premises; the employer company had its separate stores from which the witness was drawing the required spares; the lubricant oil etc., for the trucks of the employer were from the pump of Chowgule & Co. The employer was doing transport business of Chowgule Mines; in 1971 there were about 31 trucks, out of which 13 were operating in Kosti Mines area; in Kosti Mines, the business of the employer was good and there was no question of loss; he is aware that there was a Charter of Demands filed by the Union; the establishment of the employer at Kosti Mines was closed down at the end of July, 1975 and, at that time, there were 6-7 trucks at Kosti operating throughout the year; after the Kosti establishment was closed, the witness was sent to Sanvordem establishment of the employer; the same trucks of Kosti were then stationed at Sanvordem and the ore of Chowgule Mines was transported. The same workers who were retrenched at the closure of Kosti Mines were taken back at Sanvordem and they were being paid in the same way as in Kosti Mines. Till he left, 5 or 6 trucks were operating at Sanvordem. The employer Company's workers never worked in Chowgule and Co., nor the workers of Chowgule worked in the employer Company's trucks at Kosti. The diesel etc. were taken from Chowgule and Company and the charges adjusted in the earnings of the employer company.

8. This is all the evidence led by the Union. The employer remained absent throughout and did not lead any evidence.

9. The Union has admitted in its statement of claim that its demands regarding the pay structure, D. A., V. D. A., etc. will have to be considered in comparison with other organisations in similar industry. However, did not care to lead evidence to show what was the pay structure in such similar Industries. Besides, from the evidence led by the Union itself it is shown that the Kosti Mines Unit was closed down by the employer and the retrenched workers paid of all their dues. If this closure was not a real closure but only a pretence of closure is not an issue that can be decided in this reference.

10. In the aforementioned circumstances, I answer to the reference as follows:

The Union has not led any evidence to justify its Charter of Demands regarding revision of pay scales, D. A., permanency, Casual leave and sick leave. Having regard to the circumstances of the case, I leave each party to bear its own costs. Order accordingly.
